2.- Purpose of Data Processing

The purpose of the data collected on the website is to manage the User's requests for information about our services, as well as to allow the User to contact us, in order to contract the services in the congress organisation sector offered on the website.

When a User connects to this website, and submits his/her contact details through the Contact Form, he/she is providing personal information for which THE AGENCY is responsible. This information may include personal information such as name, e-mail address and telephone number.

By providing this information, you as a User consent to THE AGENT using this information only as described in this Privacy Policy.

The purposes for which data is collected and managed by THE AGENCY are these depending on the form:

Online Registration Form:

We request the following personal data: name, surname, ID number, town, province, autonomous community, address, country, post code, e-mail address and telephone number, in order to be able to deal with the requests for consultation sent, process your registration to the

Congress, make the requested reservations, issue the invoice and others that entails the execution of the contractual relationship, as well as to be able to inform you of the services offered by THE AGENCY.

Communications Sending Form:

We request the following personal data: name, surname, ID number, town, province, address, country, postcode, e-mail address and telephone number, in order to be able to deal with the requests for consultation sent, process the communications sent to the congress, make the requested reservations, issue the invoice and others involved in the execution of the contractual relationship, as well as to be able to inform you of the services offered by THE AGENCY.

Origin of the data: The personal data that we process comes directly from the data subject, if the applicant as owner or as author provides third party data, he/she states that he/she previously has the consent of the same and the express acceptance for the use of his/her data for the purposes described in this document that must be made known to the data subjects. Exonerating THE AGENCY and the Organising Entity from any liability in this regard.

Hotel Reservation Form:

We request the following personal data: name, surname, ID number, town, province, autonomous community, address, country, post code, e-mail address and telephone number, in order to be able to deal with the enquiry requests sent, process your accommodation booking requests to the congress, as well as to be able to inform you of the services offered by THE AGENCY.

3.- Retention

The personal data provided will be kept for as long as the relationship with the entity is maintained and the interested party does not request its deletion. The data will be kept in accordance with the legal periods established by the regulations that may apply to them.

4.- Decisions

This website will NOT make automated decisions, profiles or logic applied to your data.

5.- Legitimation

The legal basis for the processing of your data is the consent required by this privacy policy, the execution of the contractual relationship, compliance with the legal obligations applicable to THE AGENCY.

6.- Addressees

During the duration of the processing, THE AGENCY will not make any transfer, except to the entities organizing the event, in order to carry out the coordination and administration of the event, The International Committee on Food Microbiology and Hygiene under legal obligation, nor any transfer of your data.

The final service providers are also recipients, in order to make the services possible, such as hotels and others where reservations and registrations must be made in order to participate or receive the services provided at the event for which you are registering.

Finally, personal data may be provided to the public authorities that request them and are competent or to those that must be communicated in compliance with legal obligations by THE AGENCY.

7.- Rights

You may at any time exercise your rights of access, rectification, cancellation, opposition, oblivion and portability, as well as to withdraw the consent granted for commercial and/or advertising communications:

- C/ Vía de los Poblados, 1. Edificio D. Planta 6. CP: 28033 - Madrid, with proof valid in law such as a photocopy of your ID card or equivalent.

- By email: foodmicro2024@amexgbt.com

You also have the right to effective judicial protection and to file a complaint with the supervisory authority, in this case, the Spanish Data Protection Agency, if you consider that the processing of personal data infringes the regulation.

8.- Origin of the data

The personal data that we process comes directly from you through the forms and cookies with your consent.

9.- International transfers

The Agency carries out international transfers of data to entities of the same international group, specifically to the United States. This international transfer is carried out under the Binding Corporate Rules that have been supervised by the corresponding European supervisory authority, thus guaranteeing the same level of protection as in the European Union. Further information on this guarantee can be obtained by contacting the Agency for this purpose.

10.- Security

THE AGENCY complies with the guidelines of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data (RGPD), as well as the Organic Law on Data Protection and other regulations in force from time to time, and ensures the correct use and processing of the user's personal data.
